<b>1. Interaction with the company's shareholders, investors and other stakeholders</b>			
<b>1.1. Communication with the company's shareholders, investors and other stakeholders</b>			
<b>1.1.1. The Committee recommends</b> that the management through ongoing dialogue and interaction ensures that shareholders, investors and other stakeholders gain the relevant insight into the company's affairs, and that the board of directors obtains the possibility of hearing and including their views in its work.	The penneo management team hosts frequent public webinars to keep all stakeholders informed of company affairs.		
<b>1.1.2. The Committee recommends</b> that the company adopts policies on the company's relationships with its shareholders, investors and if relevant other stakeholders in order to ensure that the various interests are included in the company's considerations and that such policies are made available on the company's website.	Penneo has a stakeholder policy that is reviewed and approved by the Board of Directors annually. The stakeholder policy is available on the company website.		
<b>1.1.3. The Committee recommends</b> that the company publishes quarterly reports.	Penneo publishes quarterly reports. The publication dates and reports are announced on the company website.		
<b>1.2. The general meeting</b>

<sup>1</sup> If the company does not comply with a recommendation, the company must specifically explain; *why* the company has decided not to comply with the recommendation, and *which* approach the company has chosen instead. A comprehensive explanation answers both questions and is considered as compliant. Thus, it is important that the company answers both questions in its explanation.

The Committee recommends that the board of directors ensures that shareholders can observe the general meeting via webcast or other digital transmission.</p>			
<p><b>1.2.2. The Committee recommends</b> that proxies and postal votes to be used at the general meeting enable the shareholders to consider each individual item on the agenda.</p>	<p>Penneo follows this recommendation</p>		
<p><b>1.3. Takeover bids</b></p>			
<p><b>1.3.1. The Committee recommends</b> that the company has a procedure in place in the event of takeover bids, containing a “road map” covering matters for the board of directors to consider in the event of a takeover bid, or if the board of directors obtains reasonable grounds to suspect that a takeover bid may be submitted. In addition, it is recommended that it appears from the procedure that the board of directors abstains from countering any takeover bids by taking actions that seek to prevent the shareholders from deciding on the takeover bid, without the approval of the general meeting.</p>	<p>Penneo has a written and approved takeover response policy that covers this scenario.</p>		
<p><b>1.4. Corporate Social Responsibility</b></p>			
<p><b>1.4.1. The Committee recommends</b> that the board of directors adopts a policy for the company’s corporate social responsibility, including social responsibility and sustainability, and that the policy is available in the management commentary and/or on the company’s website. The Committee recommends that the board of directors ensures compliance with the policy.</p>	<p>Our CSR initiatives are covered on our website: <a href="https://penneo.com/csr/">https://penneo.com/csr/</a></p>		
<p><b>1.4.2. The Committee recommends</b> that the board of directors adopts a tax policy to be made available on the company’s website.</p>	<p>Penneo has a written tax policy. The policy is reviewed and approved annually and is available on our website.</p>		
<p><b>2. The duties and responsibilities of the board of directors</b></p> <p><b>2.1. Overall tasks and responsibilities</b></p>			
<p><b>2.1.1. The Committee recommends</b> that the board of directors in support of the company’s</p>	<p>Penneo follows this recommendation.</p>

The company should provide an account thereof in the management commentary and/or on the company's website.</p>	<p>Refer to the management commentary of the annual report for more detail.</p>		
<p><b>2.1.2. The Committee recommends</b> that the board of directors at least once a year discusses and on a regular basis follows up on the company's overall strategic targets in order to ensure the value creation in the company.</p>	<p>An annually recurring strategic event is part of the BoD calendar.</p>		
<p><b>2.1.3. The Committee recommends</b> that the board of directors on a continuous basis takes steps to examine whether the company's share and capital structure supports the strategy and the long-term value creation in the interest of the company as well as the shareholders. The Committee recommends that the company gives an account thereof in the management commentary.</p>	<p>Penneo follows this recommendation. Refer to the management commentary of the annual report for more detail.</p>		
<p><b>2.1.4. The Committee recommends</b> that the board of directors prepares and on an annual basis reviews guidelines for the executive management, including requirements in respect of the reporting to the board of directors.</p>	<p>The Board of Directors have issued written instructions to the executive board that are approved and reviewed annually.</p>		
<p><b>2.2. Members of the board of directors</b></p>			
<p><b>2.2.1. The Committee recommends</b> that the board of directors, in addition to a chairperson, appoints a vice chairperson, who can step in if the chairperson is absent and who can generally act as the chairperson's close sparring partner.</p>		<p>Due to the size of Penneo, the Board of Directors has not found it relevant to appoint a vice chairperson.</p> <p>It is the intention of the Board of Directors to appoint a vice chairperson in the future to follow this recommendation.</p>	<p>The Board of Directors has a very close collaboration and that has made it unnecessary to formalize the role as of yet.</p>
<p><b>2.2.2. The Committee recommends</b> that the chairperson in cooperation with the individual members of the board of directors ensures that the members up-date and supplement their knowledge of relevant matters, and that the members' special knowledge and qualifications are applied in the best possible manner.</p>	<p>Penneo follows this recommendation</p>		

<p><b>2.2.3. The Committee recommends</b> that if the board of directors, in exceptional cases, requests a member of the board of directors to take on special duties for the company, for instance, for a short period to take part in the daily management of the company, the board of directors should approve this in order to ensure that the board of directors maintains its independent overall management and control function. It is recommended that the company publishes any decision on allowing a member of the board of directors to take part in the daily management, including the expected duration thereof.</p>	<p>Penneo follows this recommendation</p>

## 4. Remuneration of management

### 4.1. Remuneration of the board of directors and the executive management

<p><b>4.1.1.
